Graces of the Week

Graces are received, not earned.

Sorrow (not sadness), compassion, confusion (not knowing what to do, how can God still love me?)

My contribution to the on-going passion of Christ (Mystical Body) — not guilt trip, an acknowledgement

Compassion — journeying with someone through suffering.

Let Jesus on the cross engage our eyes, what will we see? Love, compassion, mercy.

Pondering. To hold, carry and transform tension so as not to give it back in kind, because what we don't transform we will retransmit. Rohlheizer.

Mary at foot of cross.
